

In the infamous letter which the Secretary solicited from the National School Boards Association, he suggested using the PATRIOT Act and that the FBI should begin investigating concerned parents at school board meetings. The letter had nothing to do with curriculum. The topic was how to vilify and target parents that disagreed with the narrative.

Secretary Cardona has repeatedly denied involvement in the letter, but recently released documents have exposed the truth. These actions show a clear pattern that puts politics over the interests of the parents and especially their children and their education.

Parents are right to be concerned about their kids being taught radical ideologies or being exposed to inappropriate materials. Every parent in the Nation, regardless of ideology, should be alarmed that the Federal Government is trying to strip away their rights and use these underhanded methods to try to silence them.

AMERICANS ARE FACING ONE CRISIS AFTER ANOTHER

(Mr. BILIRAKIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BILIRAKIS. Mr. Speaker, tomorrow marks the 1-year anniversary of one-party, radical rule in D.C.

With Democrats at the helm, Americans have faced one crisis after another, unfortunately. We have the highest inflation in 41 years, supply chain disruptions, workforce shortages in critical industries, spikes in energy costs; record numbers of people and drugs illegally entering our southern border, a surge in crime, national security threats, a series of foreign relations disasters; in my opinion, a mismanaged pandemic, and countless examples of government intrusion into all aspects of our lives.

Instead of addressing these problems, Democrats have doubled down on failed policies, have engaged in out-of-control spending, and are trying to control every aspect of Americans' lives.

This is not the way forward.

I recently asked my constituents one simple question: "Is your family better off than you were a year ago?" Almost 70 percent of the respondents said no. Fixing that problem should be Congress' main priority.

PIKE COUNTY DESERVES A LARGER PILT PAYMENT

(Mr. RYAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RYAN. Madam Speaker, payments in lieu of taxes, or PILTs, are Federal payments to local governments to help offset losses in property

taxes due to the presence of nontaxable Federal lands within their boundaries.

Through my role on the Energy and Water Development, and Related Agencies Appropriations Subcommittee, I have gotten to know the good people of Pike County, Ohio, where the Department of Energy owns 3,700 acres of land where a uranium enrichment plant once operated. And wouldn't you know it, Pike County has one of the highest cancer rates in the State of Ohio.

Yet, their PILT payment is a paltry \$47,000 a year. These are the people who enriched the uranium during the Cold War; they live in southern Ohio where corporations have gone in, extracted resources, and taken the profits out, and now we need to help this community get the kind of payment that they need. For all the radiation, all the sacrifice that they have made and endured over the years, it is long past time that the Federal Government increased the PILT payment for Pike County, Ohio.

RECOGNIZING DR. DAVID WAGNER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize Venango Area Chamber Citizen of the Year, Dr. David Wagner.

Dr. Wagner currently owns and operates the Wagner Family Eye Care in Seneca.

Dr. Wagner is a graduate of North Clarion High School, Gannon University, and the Pennsylvania College of Optometry.

Dr. Wagner continues to be an active citizen of Venango County. He is dedicated to giving back not only in the area but around the world.

Dr. Wagner currently serves on the board for the Oil City Rotary Club and the Venango County Association for the Blind, in addition to being involved in his church, Second Presbyterian.

Despite staying busy, Dr. Wagner finds time to volunteer with other community groups, Mr. Speaker, and mentors young adults in the area.

Dr. Wagner continues his service outside of Venango by participating in Through God's Eyes and ZUMC to provide eye care to people in need throughout the world.

Mr. Speaker, I congratulate Dr. Wagner on this tremendous honor and thank him for his continued dedication to those of Venango County and around the world.

THE BIDEN ADMINISTRATION HAS STRUCK OUT

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, for a year, the Biden administration has struck out on every jobs report.

If this were a baseball game, this administration would have been benched long ago.

Economists predicted that 450,000 new jobs would be added in the month of December.

But what was the result? A dismal 199,000 jobs were added, the worst report of Joe Biden's Presidency.

Mr. Speaker, with these kinds of numbers, America's economy and workforce will never recover.

No matter how this administration spins these failures, one thing is abundantly clear: You cannot swing, miss, and then claim you have hit a home run.

The SPEAKER pro tempore (Mr. AUCHINCLOSS). Pursuant to clause 8 of rule XX, the Chair will postpone further proceedings today on motions to suspend the rules on which the yeas and nays are ordered.

The House will resume proceedings on postponed questions at a later time.
